

Tobacco Industry Health Policy

tobacco industry health policy

this gives rise to an essential patentability question: does ordinary skill in the art mean: (i) a creative person skilled in the art?, or (ii) merely an educated person skilled in the art?

try healthy diet

as the world's last known site still running a vax 4.3bsd variant in full production operation and planning to continue doing so indefinitely, i have become this operating system's de facto owner
